We ship on Monday, Wednesday & Friday ONLY

**We ALWAYS want to ship to you when your mare is a breeder. THEREFORE, I MUST know BY 5PM CST the
day BEFORE a shipping day. IF YOU HAVE TO HAVE YOUR MARE RECHECKED (by 7AM CST) ON A
BREEDING DAY, she MUST be put on our "tentative" list so we can possibly save that stallion until last to
collect—mares that are on the "tentative list" MUST confirm/cancel by 8 am CST on a shipping day so that
shipments that need to fly out may get out as early as possible.**

We ship on a first called-first served basis. We've got some very popular, busy stallions and while we always want to ship two doses, per our contract, one concentrated dose will be shipped if it's available—however, if 2 doses ARE available, they will be shipped to the people at the top of the list—**so confirm early!!** We cannot guarantee we will have semen available if you have called in late. We will not collect the stallion a second time the same day *after* a Stallion has been collected, extended, packaged in order to preserve semen integrity for all mares. We start collecting as early as ~ 5AM CST, therefore, **we MUST know the day prior to a shipping day** if you will need a shipment for your mare.

We will not collect or ship on Memorial Day (May 29, 2023)

- 1) We begin collecting the Stallions as early as~ 5:00 A.M. CST on Monday, Wednesday & Friday ONLY

PLEASE HAVE YOUR MARE CHECKED THE DAY BEFORE A SHIPPING DAY.

As soon as you know you need a shipment, call me to put your mare on the list— 219-689-1895

the semen is processed, extended, and packaged immediately after each collection. In order to preserve the integrity of the semen for ALL mares, we cannot collect a stallion a second time on the same day after he has already been collected. **YOU MUST PLACE AN ORDER or PUT YOUR MARE ON TENTATIVE LIST BY 5 PM CST-the day PRIOR to a shipping day.**

- 2) Please make sure to have your UPS shipping address ready when you call to place your order for a shipment. I WILL VERIFY ADDRESS PRIOR TO EACH SHIPMENT. Shipments sent on Friday will need to go to a UPS address that has Saturday delivery (if your home address or vet's office does not have Saturday delivery, this can be sent to a business close to you or to a UPS location—it is your responsibility to make sure it has Saturday delivery availability).
- 3) If shipping via the airlines for same day service, we need/name/address/phone number of person picking it up as well as your closest LARGE airport near you. We utilize a regional airport and we very limited on counter to counter flights. We will do everything we can to get a shipment delivered, but in some cases same day is not an option. Shipments may only make 1 stop out of EVV.
- 4) We will not collect or ship on Memorial Day (May 29, 2023)
